TRINITY TERM 2019

WELCOME TO NEW COLLEGE CHAPEL

Everyone is welcome to our chapel services. We are an inclusive community and hope that the chapel provides a place where anyone can come for peaceful reflection supported by our liturgy and music. The chapel ethos is expressed in this prayer by Bishop Thomas Ken, a fellow of the college in the seventeenth century:

O God, make the door of this house wide enough to receive all who need human love and fellowship; narrow enough to shut out all envy, pride and strife. Make its threshold smooth enough to be no stumbling block to children, nor to straying feet, but rugged and strong enough to turn back the tempter's power. God make the door of this house the gateway to thy divine kingdom.

Donations in chapel this term will support Combat Stress and Médecins sans Frontières

PTSD is alarmingly high among veterans who served in combat and every year, more than 2,000 new veterans ask us for help with trauma-related mental health problems.

Without specialist help, many veterans struggle with anxiety, anger and depression. By providing a personalised programme of treatment and support, Combat Stress helps veterans tackle the past and take on the future.

Médecins sans Frontières provides medical assistance to people affected by conflict, epidemics, disasters, or exclusion from healthcare in some of the world's most troubled areas. Its teams are made up of tens of thousands of health professionals, guided by medical ethics and the principles of impartiality, independence and neutrality.
